subete no owari ni ai ga aru nara Translation: Watching flowers just blossomed fall

"Too early, this year" you said,

In disappointment, regret

And you were beautiful If you could see me now

I wonder what you would think

Me, living without you Everybody finds love

In the end If you could hear the newborn's cry,

Sound and healthy

Ringing in the town you protected

I know you would be so pleased

The footsteps that continue after us Everybody finds love

In the end I can't believe that I'll never see you again

I haven't told you anything yet

I haven't told you anything yet Translation: Watching flowers just blossomed fall

The trees stood by, helpless However great the fear, I will not look away

If at the end of everything, there is love
