

# Thatâ€™s When You Know (feat. Kira Isabella)

## Chris Buck Band

Well I've been up all night, a restless state of mind  
Well I've been plannin' out how to make you mine  
Workin' out what I wanna say, a diamond ring for my last name  
When you can't let go, that's when you know I'll give everything for you, you just gotta say "I do"  
Through the thick and thin, you're everything and more  
Together we'll be standin' tall  
If the world starts to fall Would you walk with me through all the highs and lows  
That's when you know  
That's when you know  
We were laughin' at nothin', just wastin' time  
Holdin' hands, slow dancin' through the boardwalk lights  
Dark side on a bended knee, you're tear-filled eyes lookin' back at me  
When you see your future, lightin' oup your soul  
I'll give everything for you, you just gotta say "I do"  
Through the thick and thin, you're everything and more Together we'll be standin' tall  
If the world starts to fall  
Would you walk with me through all the highs and lows  
That's when you know  
That's when you know  
That's when you know Well, I've been up all night, a restless state of mind  
With a love this strong, you can't say goodbye  
I'll give everything for you, you just gotta say "I do"  
Through the thick and thin, you're everything and more  
Together we'll be standin' tall  
If the world starts to fall,  
Would you walk with me through all the highs and lows  
That's when you know  
That's when you know
