Kem

Makes any difference
I still love you girl
You're my weakness
You changed my worldShare my life
Trust in me
You're all I want
Everything I need (baby)Makes any difference
I give you all my heart
Girl my sun sets
Anywhere you areMaybe I'm a dreamer
You're still my queen
Your love's like a river girl
Runnin' right through meShare my life
Trust in me
You're all I want
Everything you needMakes any difference
I still love you girl
You're my weakness
