You Ain't Nothing But a J.A.M.F.

Roberta Gambarini

You said you'd get yourself a real good job
You said you had connections in a high place
Time has passed and I aint seen a dollar yet
I buy our food and pay our rent
But thats about to stop
oh you bet
cus i got no patience leftYou said you'd love me till the day you die
You said you'd buy me flowers, diamonds and furs
Everynight you come home high or drunk or worse
But heres a thing for you to see
I changed the locks and set you free
cus you sure aint nothing but a jamf
