Feel The Need in Me

Utopia

Can't you see I'm walking
Can't you see I'm talking
[Repeat 2]See how I'm walking
See how I'm talking
Notice everything in me
Feel the need
Oh feel, feel the need in me
I need you by my side
To be my guide
Can't you see my arms are open wide
Feel the need
Oh feel, feel the need in meI need your love
Everyday I need
Love
Everyday I want
Love
With out your sweet, sweet love I'd rather die
I need your love
I need it constantly
Love
Your love takes care of me
Love
Your love is better to me than apple pieJust put your hand in mine
Love me all the time
The proof you will plainly see
Feel the need
Oh feel, feel the need in me
I need your only kiss
To my heart in bliss
You make me what I need to be
Feel the need
Oh feel, feel the need in meI need you by my side
To be my guide
Can't you see my arms are open wide
Feel the need
Oh feel, feel the need in meI need your love
Everyday I need
Love
Everyday I want

Love
With out your sweet, sweet love I'd rather die
I need your love
I need it constantly
Love
Your love takes care of me
Love
Your love is better to me than cherry pieSee how I'm walking
See how I'm talking
Notice everything in me
Feel the need
Oh feel, feel the need in meFeel the need
Oh feel, feel the need in me
Feel the need in me
Feel the need in me
Feel the need in me
Feel the need in me
