Life is a song meant to be sung

And dreams are the words that tickle your tongue

no time to lose

singing the blues

Stuck in a memory

You get what you give

So let yourself live

And be what you're meant to beChorus

Alrightt

Everything is gonna be so bright

Welcome to your destiny

Believe in yourself

And the answers will come

Everything is gonna be soo right

Heaven knows, Heaven knows

You waited so long

Soon you'll be singing your song.Verse 2
