

Do Not Doubt In the Dark

Bro Ifeanyichukwu Onyeachonam & The Heavenly Lover

Chorus:

Do not doubt in the dark
What you are told in the light
For the Lord who has called you
Have never failed at all.

In the beginning when created the world
Do you know he had you in mind
Do you know he had you in mind
Do you know he had you in mind
When he was creating the whole world

His eyes are not blind
that he can't see your situation
His ears are not deaf that he can't hear your application

Godstime is the best
Godstime is the best

Chorus:

Do not doubt in the dark
What you are told in the light
For the Lord who has called you
Have never failed at all.
