

# Take My Scars

## Machine Head

It's been around for a thousand years  
And it'll be here for plenty more  
It is the face hidden in disgrace  
That has become now an open sore  
It is a false Messiah  
It is the face of pain  
The bringer of the bittersweet  
The heretic insane  
Take my scars  
Through hands of God  
I found a better way  
To break the walls  
Fed all the lies and desensitized  
Taught to believe that it is the way  
Taught to divide and exactly why  
You'll never understand my rage  
They've never had to borrow  
They've never had to steal  
They eat it with their silver spoon  
For us it's real  
Take my scars  
Through hands of God  
I found a better way  
To break the walls  
Blood and concrete  
Piss and wine  
Whores that fuck  
To feel divine  
They'll clean their needles  
In their shrine  
In ignorance  
It's bliss you find  
Why can't you, fuckin' open  
Open up your eyes?  
Why can't you, open up your eyes?  
Why can't you, open up your eyes?  
Why can't you, open up your eyes?  
Why can't you fuckin' open  
Open up your eyes?  
Why can't you, open up your eyes?  
Why can't you, open up your fuckin' eyes, yeah?
