Make A Wave

Demi Lovato

joe : They say the beat of a butterflies wings,
can set off a storm a world away
Demi : What if they're right and the smallest of things,
can power the strongest hurricane
joe : What if it all begins inside
Demi : We hold the key that turns the tide
CHORUS
Both : Just a pebble in the water
Demi : ooh
Demi : Can set the sea in motion
Demi : ooh
Both : A simple act of kindness
Demi: ohh
joe : Can stir the widest ocean
Both : If we show a little love
heaven knows what we could change
oh yeah
so throw a pebble in the water
Joe: Oh Yeah
Both : Mave a wave
Demi : Make a wave
joe : Make a wave, make a wave
