

Let Me Love You

Jeff Beck Group with Rod Stewart

Yeah
Yeah, yeah, yeah
Yeah
Yeah, yeah
Baby I just don't get it, do you enjoy being hurt?
I know you smelled the perfume, the make-up on his shirt
You don't believe his stories, you know that they're all lies
Bad as you are, you stick around and I just don't know why
If I was ya man
(Baby you)
Never worry 'bout
(What I do)
I'd be coming home
(Back to you)
(Every night, doin' you right)
You're the type of woman
(Deserves good things)
Fistful of diamonds
(Hand full of rings)
Baby, you're a star
(I just want to show you, you are)
You should let me love you
Let me be the one to give you everything you want and need
Baby good love and protection
Make me your selection show you the way love's supposed to be
Baby you should let me love you, love you, love you, love you, yeah
Listen
Your true beauty's description looks so good that it hurts
You're a dime plus ninety-nine and it's a shame
Don't even know what you're worth
Everywhere you go they stop and stare
'Cause you're bad and it shows
From your head to your toes, out of control, baby you know
If I was your man
(Baby you)
Never worry 'bout
(What I do)
I'd be coming home
(Back to you)

(Every night, doin' you right)
You're the type of woman
(Deserves good things)
Fistful of diamonds
(Hand full of rings)
Baby, you're a star
(I just want to show you, who you are)
You should let me love you
Let me be the one to give you everything you want and need
Ooh baby good love and protection
Ooh make me your selection show you the way love's supposed to be
Baby you should let me
(You deserve better girl)
You know you deserve better
(We should be together girl)
Baby, with me and you it's whatever girl, hey
So can we make this thing ours?
You should let me love you
Let me be the one to give you everything you want and need
(Let me be the one to give, everything you need)
Good love and protection
(Said every thing)
Make me your selection
(Will you take me baby)
Show you the way love's supposed to be
(Baby you should let me love you)
You should let me love you
Let me be the one to give you everything you want and need
(I'll give you everything)
That good love and protection
Make me your selection show you the way love's supposed to be
(Hey)
You should let me love you
(Love you)
Let me be the one to give you everything you want and need
(The one to, everything you need)
Good love and protection
(Protection)
Make me your selection show you the way love's supposed to be
(Selection baby)
(Yeah)
Let me love you
That's all you need baby
