

Lovin' and Touchin'

Red Hot Chili Peppers

Lovin' and touchin' and
Laughin' and squeezin' and
Walkin' and jokin' and
Smilin' and teasin' Lovin' and kissin' and
Rubbin' and scrubbin' and
Stylin' and slummin' and
Rollin' and cummin' I'll hold you a lifetime
I'll love you forever
I'll make you my wife and
I'll never forget you I'll give you my smile
On the face of your child
I will give you my love
I will give you my love
