

Unwell

Clemson University TIGEROAR

All day starin' at the ceilin' makin' friends with shadows on my wall

 All night hearing voices tellin' me that I should get some sleep

 Because tomorrow might be good for somethin'

 Hold on, feelin' like I'm headed for a breakdown

 And I don't know whyBut I'm not crazy, I'm just a little unwell

 I know, right now you can't tell

 But stay a while and maybe then you'll see

 A different side of meI'm not crazy, I'm just a little impaired

 I know, right now you don't care

 But soon enough you're gonna think of me

 And how I used to be, meI'm talkin' to myself in public, dodging glances on the train

 And I know, I know they've all been talkin' about me

 I can hear them whisper, and it makes me think

 There must be somethin' wrong with me

Out of all the hours thinkin', somehow I've lost my mindBut I'm not crazy, I'm just a little unwell

 I know, right now you can't tell

 But stay a while and maybe then you'll see

 A different side of meI'm not crazy, I'm just a little impaired

 I know, right now you don't care

 But soon enough you're gonna think of me

 And how I used to beI've been talkin' in my sleep

 Pretty soon they'll come to get me

 Yeah, they're takin' me awayI'm not crazy, I'm just a little unwell

 I know, right now you can't tell

 But stay a while and maybe then you'll see

 A different side of meI'm not crazy, I'm just a little impaired

 I know, right now you don't care

 But soon enough you're gonna think of me

 And how I used to be yeah, how I used to beHow I used to be

 Well, I'm just a little unwell

 How I used to be, how I used to be

 I'm just a little unwell
