

Walkin' Blues

Grateful Dead

Woke up this morning, felt around for my shoes
That's when I knew I had them old walking blues
I woke up this morning, felt around, felt around for my shoes
That's when I knew I had them old, mean old walking blues
Leaving in the morning if I have to, robbed blind
I've been mistreated and I don't mind dying
I'm leaving in the morning if I have to, robbed blind
I've been mistreated and I just don't mind dying
She got a Belgium movement from her head down to her toes
Breaking on a dollar most anywhere she goes
Well I got a good woman coming my way
Tried to try, some electric panting, some electric chilling crying
But, ooh, mistook, misgiven
Got me up and walking baby, but I'm walking blue, walking blue
