Wine Me Up

Rance Norton

And I'm the center of attention in this bar room
'Cause I've got the biggest heartache of the year
And each night those swingin' doors reach out to me and draw me in
'Cause they know each night that I'll be back to wine me up againWine me up, turn me on and watch me cry for you
Lately drinkin' warm red wine is all what I want to do
I never know how tight I'll wine me up, till I walk in
But I don't care 'cause I'll be back to wine me up againAnd I'd like to thank the folks who raise the grapes way out in California
And I'm hopin' this will be their biggest year
'Cause scarlet waters all that's left to keep me hangin' on
That's why I'll try to wine me up each day and night next yearWine me up, turn me on and watch me cry for you
Lately I'm drinkin' warm red wine is all, what I want to do
I never know how tight I'll wine me up, till I walk in
But I don't care 'cause I'll be back to wine me up again
