

Jesus Junk

Atomic Opera

I want a Virgin Mary nightlamp
Bible hero lunch box
The Shroud of Turin on my wristwatch
Only listen to Christian ... RockGospel Cola in the morning
Then make my Velvet Jesus Bed
I want some Holy Trini-Tea Bags
Covenant Candy fish ... and loaves of breadGold plated Crown of Thorns Messiah Ring
Belt buckle's a decending dove
Hang a chrome fish on my truck
They'll know we're Christians by our love
... Of junkAll my Jesus Junk
Yeah, my Jesus Junk
I am
A Jesus JunkieGive me a piece of the true cross
The thigh bone of a saint
I long for something Holy
This sub-culture ain't ... realTesta Mints to make my breath fresh
Bible Gum and Christian science fiction Where Jesus turns wine into water.
