

# Wild Indifference

[Joan Shelley](#)

In your wild indifference  
It's all centered around you  
Ain't it lonely  
Ain't it lonely Can you even see me  
Am I coming through  
Ain't it lonely  
Ain't it lonely In your wild indifference  
It's all centered around you Well I've been a chaser too long  
Yeah I've been a chaser too long  
Ain't it lonely  
Ain't it lonely  
In your wild indifference  
It's all centered around you
