

I Be Over Shit

Casey Veggies

I be over shit
I be over shit
I be over shit
Take a nigger girl
The next day I am gonna be over it
I be over shit
I be over shit
I be over shit
I be over shit

She try to smash now
But I'm over it

I be over shit
I be over shit
I be over shit
I be over shit

We are talking cash now
You nigger are over 6
I got my nam up
Ain't even focusing
Been to studio then I am back

...

She is all over my shit
I had to fight back
I be over shit
I be over shit
I be over shit
I be over shit

Black polo same patric...
Swag on chrstimas as I am walking
... you know I got it
I met a better one so I had to sopt it
I be over shit
I be over shit
I be over shit
I be over shit
Shut up to my bro bro

Gave me the idea
La is ma crib I ain't talking ikea
... I am in my white... I guess this might be it
I guess this might be it
I be over shit
I be over these bitches
Momma excuse my language
One day understand when I am rich and famous
I be on my business
She will be in that plane
When a nigger get one...
That's who I started with
He helped...
I be over shit
I be over shit
I be over shit

I be over shit
I be over shit
I be over shit
Take a nigger girl
The next day I am gonna be over it
I be over shit
I be over shit
I be over shit
