The Running Man

Bad Company

Do you know the ones you love
You know the ones you saved
Look in my eye 'cause somehow you
You don't realize what I made
You can't run, run away from me
Don't deny your blind believers
Hide your Devil's keeper
Take your love away from me
'Cause I will blind your heathen reason
Ride us on your broken wings for love
True we are, disciples lost
You know the promise you made
Look in my eyes and tell me why
You realize the price that you'll pay?
You can't run, run away from me
Don't deny your blind believers
Hide your devil's keeper
Take your love away from me
'Cause I will blind your heathen reason
Ride us on your broken wings for love
Number 9, number 9, number 9
I'm still inside of the 9 asylums
Am I Messiah?
You're the only God they know
What are you running from?
Wasn't this enough?
Aren't you satisfied?
They're all at your feet
The Lord to sheep
Oh, are you sanctified?
You can't run, run away from me
Don't deny your blind believers
Hide your Devil's keeper
Take your love away from me
'Cause I will blind your heathen reason
Ride us on your broken wings
You can't run away from me
Don't deny your blind believers
Hide your Devil's keeper

Take your love away from me
'Cause I will blind your heathen reason
Ride us on your broken wings
