

The Summer Wind

Madeleine Peyroux

The summer wind came blowing in
From across the sea
And it lingered there, so warm and fair
To walk with me All summer long we sang a song
And strolled on golden sand
Two sweethearts
And the summer wind Like painted kites, those days and nights
Went flyin' by
The world was new beneath a blue
Umbrella sky Then softer than a piper man
One day it called to you
And I lost you
To the summer wind The autumn wind and the winter wind
Have come and gone
And still those days, those lonely days
Go on and on And guess who sighs her lullabies
Through nights that never end
My fickle friend
The summer wind The summer wind
