

Letting The Cables Sleep

Apocalyptica

You in the dark, you in the pain, you on the run
Living a hell, living your ghost, living your end
Never seem to get in the place that I belong
Don't wanna lose the time, lose the time to come Whatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright Silence is not the way
We need to talk about it
If heaven is on the way
If heaven is on the way You in the sea, on a decline
Breaking the waves
Watching the lights go down
Letting the cables sleep Whatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright Silence is not the way
We need to talk about it
Heaven is on the way
We'll wrap the world around it If heaven is on the way
If heaven is on the way I'm a stranger in this town
I'm a stranger in this town
I'm a stranger in this town If heaven is on the way
If heaven is on the way I'm a stranger in this town
I'm a stranger in this town
