New Amsterdam

Travis

Jean-Michel Basquiat, Francois Truffaut
Robert Zimmerman and De Niro
Paris, Texas, end of the world
New York, New York, good bye, girlAnd they meet on Bleecker Street
Or the Park that is Central, oh no
I watched the sun go down
Down, down beneath the ground
And it's a new day, it's a new dawn
In New AmsterdamThe stranger in the moonlight
Looks stranger in the moonlightAnd they meet on Bleecker Street
Or the Park that is Central, oh no
I watched the sun go down
Down, down beneath the ground
It's a new day, it's a new dawn
In New AmsterdamAnd we meet on Bleecker Street
Or the Park that is Central, oh no
I watched the sun go down
Down, down beneath the ground
And it's a new day, it's a new dawn
In New Amsterdam
