

# Time With You

Billy Currington

Daily grind is stealing me away again  
When I just want to lay back down  
Another night gone and don't know where it went  
What I need more than anything right now Is time with you more time with you  
To laugh and talk and play and make more love to you  
Ah there's nothing in this world I'd rather do  
Then spend time with you Seven days you and me in paradise  
The world revolving around us  
We'd still be there and forever if the choice was mine  
'Cause seven days that's not enough Is time with you more time with you  
To laugh and talk and play and make more love to you  
Ah there's nothing in this world I'd rather do  
Then spend time with you  
Time with you I'm gone for now to do the things I have to do  
But baby you know I live For time with you more time with you  
To laugh and talk and play and make more love to you  
Ah there's nothing in this world I'd rather do  
Then spend time with you  
More time with you
