The Life Of The Party

The Jackson 5

All you gotta do is dance
Dance, dance all you gotta do is clap
Your hands, hands, hands
You'll be the life of the party
Yes you will, now

Life of the party

Left your sat 'til some dancing
Heart getter charms you to your feet
Yeah, now

You got he movement, soon
You'll be doin' it, so get with it baby

You'll be the life of the party
You thrill me when you dance
You can be, you can be woh
