You and Me

Vince Kidd

(You and me, you and me, nobody baby but you and me) X2This shit ain't paid,
It's getting late,
got the world on my shoulders,
My dad's insane,
they say I'm to blame,
and my brothers on the coca colaOh I know, I know, I know, I know
I'm gonna make it
Another day,
another night,
and everything's alright,
as long as it's(You and me, you and me, nobody baby but you and me)
Nobody baby, oh it's you and me,
Nobody baby
(You and you and me, you and you and me)
You and you and me, nobody baby but
(you and you and me, you and you and me)
oh you and you and meMy cash is blown
I'm nobody know
But you make me feel A-list
With my head to the stone
Heart to the bone
I ain't got no time to play withOh I know, I know, I know, I know
I'm gonna make it
We'll work it out
We'll find a way
And everything'll be OK
As long as it's(You and me, you and me, nobody baby but you and me)
Everybody knows it's you and me, every body knows
(You and me, you and me, nobody baby but you and me)
There's nobody baby, there's nobody baby but you and meKELZ:Wow
Wow
I think we'll find a way
You're like a walking AC
Girl you leave me blown away
And even though I'm broke
I promise to give you change
I wanna have rights all over that body
So I deserve to stay
Eyes like a compass

I'm following your every curve and shape
I'm tryna find words to say
But I can't pronounciate
Your a solid dime with a heart of gold
Your second name should be Medusa
Cuz you happen to turn my ..... to stone
Hard times, hard times
Girl I think you can bear it
I'd pay a million must to catch a glimpse of what you're wearing
I'd spend my last money on you babe
Cuz sharin' is carin'
You know I'm the one you wanna pair with
You hear meOh I know, I know, I know, I know
I know we're gonna make it
We'll work it out (work it out)
We'll find a way (find a way)
And everything'll be OKOh its you, its you, its you, its you
Its you and me
I-iiii-ii-i i-iiii-ii-I love you, I love you, I love you
