

It's About to Get Dirty

Brantley Gilbert

Weather man says is gonna rain
And wearin' (?) won't change a thing
Yeah we still got plans tonight
We gonn' kick it, dancin', givin' baby rain or shine
Leave your Sunday best at home
Be last time you wear what you got on
Bikini top cut off jeans
Damn, baby girl you know you lookin' mean
She said "how we gonna make it through the mudhole?"
Whatch ya think I got swamper on my truck for?
It's about to get dirty in the dirty south
'Bout to show you what it's all about
Don't worry, there's a rowdy crowd
We ain't scared, we still throwin' down
We gonna tap that keg
Locked at five
We gonna' crank that country
Pass out shots
And get thirsty
Let it rain, let it rain, let it rain
It's about to get dirty
There's just somethin' 'bout a good old flood
Watching that red clay turn to mud
Slinging up, slam past the doors
Like a new paint job on a 4x4
Girl you gonna have a good ol' time
Can't let a little bit of rain change your mind
Let your hair down, coffin boots?
For once in your life let yourself cut loose
Gonna get muddy from head to toe
Cleanin' off, skinny dipping in the swimming hole
It's about to get dirty in the dirty south
'Bout to show you what it's all about
Don't worry, there's a rowdy crowd
We ain't scared, we still throwin' down
We gonna tap that keg
Locked at five
We gonna' crank that country
Pass out shots
And get thirsty
Let it rain let it rain let it rain
It's about to get dirty
Girl your whole life's 'bout to change
Bad times and muddy water let me hear you say
Let it rain, let it rain, let it rain
It's about to get dirty in the dirty south
'Bout to show you what it's all about
Don't worry, there's a rowdy crowd
We ain't scared, we still throwin' down
We gonna tap that keg
Locked at five
We gonna' crank that country
Pass out shots

And get thirstyLet it rain, let it rain, let it rain
Everybody get thirsty
Let it rain, let it rain, let it rain
Listen 'bout to get dirty
Listen 'bout to get dirty
C'monNasty
