

No Flex Zone (Charity Strike Edition)

Rae Sremmurd

No flex zone, no flex zone
They know better, they know better
No flex zone, no flex zone
They know better, they know better
 Won a gold medal
 And a gold bezel
 I treat it so special
 Now your ho jealous
 Freak Hoes, got several
 They tens or better
 I'm a trendsetter
I'm a go-getter Swae Lee, Lee Swae, it's the same difference
 H2O, lean, same thing
Niggas throw up sets and gang bang
 Free everybody in a chaingang
 Been two days since I laid down
 Kool Moe Dee five chains on
 Versace, them rings on it
 Say my fucking name ho
 Yea them diamonds so cool
 Yea that old school mine fool
 Never heard about you
 All my hoes they so rude
 Tats all on me nigga
 Trill ass individual
 Dumb check I'm that nigga
 Sit on my Balmain zipper
 I got a airtight schedule
 Fuck your bitch, just met her
 Pink slip, no rental
 Got a L full of that killer
 Beating on my chest like Magilla
Nigga I am the gorilla of the village
 Pack sound like heavy metal
Just killed the haters, God bless 'em No flex zone, no flex zone
 They know better, they know better
 No flex zone, no flex zone
 They know better, they know better
 Won a gold medal

And a gold bezel
I treat it so special
Now your ho jealous
Freak Hoes, got several
They tens or better
I'm a trendsetter
I'm a go-getter Young niggas got get to the money
Five chains so they look at me funny
Showed up with the juice and the troops
Roll a seven every time I shoot
She said why you have so many condoms with you
I said I'm a player to be honest with you
Hublot (Whoo!) So shiny
Mind you my crew right behind me
Went shopping, could've bought an island
Talking money when I'm with Italians
Spilling purple on the red carpet
And I'm flyer than a nigga on a hang glider
4-5-6-7 chains on
Just stay in your lane ho
Don't you like these A-wings?
Don't you like these gold fangs?
You a well known flexer
I'm a young trendsetter
These hoes they reckless
They slick, they messy
Three hoes freak dancing
Wit' the loud singing acapella
Chain clang like heavy metal
Slim killed the haters, God bless 'em
