Sublime

Leonardo Gonçalves

I will follow you, through heaven, earth and time Will you be there for me, when I reach the end of the line? So can you guarantee for all eternity? Sublime, sublime If we just carry on, we will find a way If it's not destiny, can you and me just be Sublime, be sublime Will you follow me a shoulder's sometimes nice I will be there for you, when a safety net feels right So give your hand to me when you need anything Sublime, sublime If we just carry on, we will find a way If it's not destiny, can you and me just be Sublime, be sublime, be sublime, be sublime Hush now darling don't you cry Every little thing is gonna be alright Hush now child don't say a word Trying to sing a song 'bout heaven on earth Sublime, sublime, sublime If we just carry on, we will find a way If it's not destiny, can you and me just be Sublime, be sublime If it's not destiny, can you and me just be Sublime, be sublime, be sublime So can you guarantee, for all eternity Sublime, sublime
