Forever & Always

2 Dope

Once upon a time, I believe it was a Tuesday
When I caught your eye
And we caught onto something, I hold on to the night
You looked me in the eye and told me you loved me
Were you just kidding? 'Cause it seems to me
This thing is breaking down, we almost never speak
I don't feel welcome anymore
Baby, what happened? Please tell me
'Cause one second it was perfect
Now you're halfway out the door
And I stare at the phone and he still hasn't called
And then you feel so low, you can't feel nothin' at all
And you flashback to when he said, forever and always
Oh, oh
Oh, and it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
Was I out of line? Did I say something way too honest
That made you run and hide like a scared little boy?
I looked into your eyes, thought I knew you for a minute
Now I'm not so sure
So here's to everything, coming down to nothing
Here's to silence that cuts me to the core
Where is this going? Thought I knew for a minute
But I don't anymore
And I stare at the phone and he still hasn't called
And then you feel so low, you can't feel nothin' at all
And you flashback to when he said forever and always
Oh, oh
Oh, and it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
You didn't mean it, baby, I don't think so
Oh, oh
Oh, back up, baby, back up, did you forget everything?
Back up, baby, back up, did you forget everything?
'Cause it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always

Oh, I stare at the phone and he still hasn't called
And then you feel so low, you can't feel nothin' at all
And you flashback to when we said forever and always
And it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
You didn't mean it, baby, you said forever and always
