

Lotta Love

Nicolette Larson

It's gonna take a lotta love
To change the way things are.
It's gonna take a lotta love
Or we won't get too far;
So if you look in my direction,
And we don't see eye to eye -
My heart needs protection and so do I.

It's gonna take a lotta love
To get us through the night.
It's gonna take a lotta love
To make this work out right.
So if you are out there waiting,
I hope you show up soon -
You know I need relating not solitude.

Gotta lotta love ...
Gotta lotta love.

It's gonna take a lotta love (chorus: gonna take a lotta love)
To change the way things are.
It's gonna take a lotta love (chorus: gonna take a lotta love)
Or we won't get too far.
It's gonna take a lotta love (chorus: gonna take a lotta love)

(Repeat to fade)
