Wonderland

The Psychedelic Waltons

I'm not Snow White
but I'm lost inside this forest.
I'm not Red Riding Hood,
But i think the wolves have got me.
Don't want the stilettos
I'm not, not Cinderella
I don't need a knight so baby take off all your armor
You be the Beast and I'll be the Beauty, beauty
Who needs true love as long as you love me truly.
I want it all, but I want you more
Will you wake me up boy if I bite your poison apple.
I don't believe in fairy tales
I don't believe in fairy tales
I don't believe in fairy tales
but I believe in you and me
take me to wonderland
take me to take me to
take me to wonderland
take me to take me to
take me to wonderland
take me to take me to
wonderland, wonderland
When I lay my head down to go to sleep at night
My dreams conceive the things
that I make you want to hide
Don't lock me in your tower
Show me your magic powers
I'm not afraid to face a little bit of danger, danger
I want the love, the money, and the perfect ending
You want the same as I, I, so stop pretending
I want to show you how good we could be together
I want to love you through the night, we'll be a sweet disaster

I don't believe in fairy tales
I don't believe in fairy tales
I don't believe in fairy tales
but I believe in you and me
take me to wonderland
take me to take me to

take me to wonderland
take me to take me to
take me to wonderland
take me to take me to
wonderland, wonderland
Wonderland, oh
I believe in you and me
I don't believe in fairytales
I don't believe in fairytales
I don't believe in fairytales
But I believe in you and me
take me to wonderland
Take me to , take me to
Take me to wonderland
Take me to , take me to
Take me to wonderland

Take me to, take me to, take me to
I believe in you and me, Wonderland
Take me to Take me to Take me to Wonderland
Take me to Take me to Take me to Wonderland
Take me to Take me to Take me to Wonderland
Take me to Wonderland, take me to Wonderland
