Dress Off

Le Butcherettes

Boy just looking at you
Boy I know what you want to do
Boy but you can't
Until the night is throughHuh, why don't you whisper it to me, me, me, me
How you wanna get freaky, ky, ky, ky
And we can get down, down, down
But first you gotta waitSo all you wanna do
Is take my dress off
And like a candy store
I know you want it allOh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, offBoy I don't care about your fast car
Boy don't matter how blinged out you are
Boy so if you want me that won't get you far
'Cause I know what you wantWhy don't you whisper it to me, me, me, me
How you wanna get freaky, ky, ky, ky
And we can get down, down, down
But first you gotta waitSo all you wanna do
Is take my dress off
And like a candy store
I know you want it allOh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, offThere is always something more
You'll find out what's in store
But you have to completely
Give yourself to me, me, me, me
Me, me, me, me, me, me, me, me, me, me, meSo all you wanna do
Is take my dress off
And like a candy store
I know you want it allOh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, off
