

# Send It On

Jonas Brothers, Demi Lovato, Miley Cyrus & Selena

A words, just a word  
'til you mean what you say  
And love, isnt love  
'til you give it away  
We've all got to give  
Yeah, something to give  
To make a changeSend it on (send it on)  
On and on (on and on)  
Just one hand can heal another  
Be a part (be a part)  
Reach a heart (reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
Will never stop  
Make us strong  
Shine a light and send it on  
Just Smile (just smile)  
And the world (and the world)  
Will smile  
along with you..  
That small act of love  
Thats meant for one  
Will become two  
If we take the chances  
to change circumstances  
Imagine all we can do  
Send it on (send it on)  
On and on (on and on)  
Just one hand can heal another  
Be a part (be a part)  
Reach a heart (reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
Will never stop  
Make us strong  
Shine a light and send it on  
Send it on..Theres power in all of the choices we make  
So Im starting now theres not a moment to waitA word, just a word  
'til you mean what you say

And love, isn't love  
'til you give it away Send it on (send it on)  
On and on (on and on)  
Just one hand can heal another  
Be a part (be a part)  
Reach a heart (reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
We'll help it start  
Make us strong  
Shine a light and send it on  
Send it on  
Just one hand can heal another  
Be a part (be a part)  
Reach a heart (reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
We'll help it start  
Make us strong  
Shine a light and send it on  
Shine a light and send it on  
Shine a light and send it on
