Twirl

Craft Spells

You thought you saw the end in my eyes
I'm dying just to come around
I'm in the clouds wishing you would tell me what to doIt's hard for us to talk about it
Well, honey it just brings me down
I'm on the floor hoping you can tell me what to do
I don't know what to doI don't know what to doThere goes all my silence
There goes all my faults
There's still a little heartache
for things I tend to ignoreThere goes all my silence
There goes all my faults
There's still a little heartache
for things I tend to ignoreThe things I can't ignoreYou thought you saw the end in my eyes
I'm spinning and I cna't come down
I'm in a twirl hoping you can tell me what to doIt's hard for us to talk about it
Well, honey it just brings me down
I'm on the floor hoping you can tell me what to do
I don't know what to doI don't know what to doThere goes all my silence
There goes all my faults
There's still a little heartache
for things I tend to ignoreThere goes all my silence
There goes all my faults
There's still a little heartache
for things I tend to ignoreThe things I can't ignore
