

Human

Metallica

Don't you leave me, Father Time
Take me with you
Tell me, does your sun still shine?
Come squeeze the world
Then drip it down my throat again
Down my throat again, oh-whoa You got to breathe, man, breathe
Coming up for...
Breathe, man, breathe
Comin' up for...
Air
Touch me so I think I'm here
Skin my senses
Barely breathing, minus Human
Please squeeze the world
And drip it down my throat again
Ooh, down my throat again Whoa, oh...
You've got to breathe, man, breathe
Comin' up for air
Breathe, man, breathe
Comin' up for...
Air
You've got to breathe, man, breathe
Comin' up for air
Breathe, man, breathe
Comin' up for.
