Sweet Revenge

BarlowGirl

Did You see that I was hurt?
Did You know that You had left me crying there?
Now Im holding all Your words
Close till You feel this pain too, yeahYou live on so unaware
While I thought somehow this hate would heal me
But this hate is never ending and its only killing me
Oh, sweet revenge, you lied againI find I cant get free
Till I release this vengeance that I seek
Forgive You, the only thing
I wanna live, Im ready to be free, to be freeMaybe Youve been wounded too
Maybe all this is Your self protection
And all the hurts You thought were hidden
Are the ones now hurting me
So, who will make this patter end?I find I cant get free
Till I release this vengeance that I seek
Forgive You, the only thing
I wanna live, Im ready toBreak these chains
Wont see this through
Cause setting You free
Will mean my freedom too, freedom too, ohI find I cant get free
Till I release this vengeance that I seek
Forgive You, the only thing
I wanna live, Im ready to be free, to be free
