

# 5 Minutes

## K Camp

Yeah, yeah

By 5 minutes

By 5 minutes 5 minutes she'll be suckin' dick

By 5 minutes she'll be takin' pics

By 5 minutes she'll be on my click

About 5 minutes, she be with the shits

5 minutes, give her five minutes

5 minutes she'll be suckin' dick

5 minutes she'll be takin' pics

5 minutes she'll be on my click

5 minutes, she'll be with the shits

5 minutes, give her five minutes

Five minutes, okay Do the oochi-choochi, I say free my nigga Gucci

Bought a brand toolie, let it mix you like a smoothie

Do the oochi-choochi, I say free my nigga Gucci

Bought a brand toolie, let it mix you like a smoothie 5 minutes I'mma take your, bitch valet park the Rolls and  
just slide in

Got 5 hoes all on Supreme, take 5 minutes just to dive in

Squad goin' up like elevators

Five rings, five chains, ho see you later

Five minutes, make a car get the whole thing

Broke boy still flex ho with no chain 5 minutes she'll be suckin' dick

By 5 minutes she'll be takin' pics

By 5 minutes she'll be on my click

About 5 minutes, she'll be with the shits

5 minutes, give her five minutes Do the oochi-choochi, I say free my nigga Gucci

Bought a brand toolie, let it mix you like a smoothie

Do the oochi-choochi, I say free my nigga Gucci

Bought a brand toolie, let it mix you like a smoothie Take 5 minutes just to roll up

Take 40 minutes just to smoke a joint

Take 5 minutes just to pour up

Got me leanin' like a Jordan dunk

24's on an orange dunket

That Tropicana for the propaganda

Five minutes just to count a check

Take five minutes to spend it all on Ballies

Take five minute just to mount up

From the lot to the rim shop

Five minutes just to pull your bitch

When I pull up in a sling shot  
Hold up let me check my watch  
I be ready in 'bout five minutes  
Chanel number five, bond number nine  
Tryna stay alive when it's summertime  
When it's overtime I'm in overdrive  
Got my money straight, got it organized  
Can't say you hoes are overqualified (Damn)  
I'm on the south side, you on the outside  
Five minutes get to Popeyes  
Trap house had a rottweiler  
All this weed like a bonfire  
I'mma 3rd strike like an umpire 5 minutes she'll be suckin' dick  
By 5 minutes she'll be takin' pics  
By 5 minutes she'll be on my click  
About 5 minutes, she'll be with the shits  
5 minutes, give her five minutes  
5 minutes she'll be suckin' dick  
5 minutes she'll be takin' pics  
5 minutes she'll be on my click  
5 minutes, she'll be with the shits  
5 minutes, give her five minutes  
Five minutes Do the oochi-choochi, I say free my nigga Gucci  
Bought a brand toolie, let it mix you like a smoothie  
Do the oochi-choochi, I say free my nigga Gucci  
Bought a brand toolie, let it mix you like a smoothie
