

Dreaming Of The Queen

Pet Shop Boys

Dreaming of the queen
Visiting for tea
You and her and I
And Lady Di The queen said "I'm aghast"
Love never seems to last
However hard you try
And Di replied That there are no more lovers left alive
No one has survived
So there are no more lovers left alive
And that's why love has died Yes, it's true
Look, it's happened
To me and you Then carriages arrived
We stood and said goodbye
Diana dried her eyes
And looked surprised For I was in the nude
The old queen disapproved
But people laughed and asked
For autographs And there were no more lovers left alive
No one had survived
So there were no more lovers left alive
And that's why love had died Yes, it's true
Look, it's happened
To me and you I woke up in a sweat
Desolate For there were no more lovers left alive
No one had survived
So there were no more lovers left alive
And that's why love had died Yes, it's true
Look, it's happened
To me and you
