

Sing My Song

B.o.B

My name is Bob

and I don't have a job[chorus]I don't know why I say these things
but it's the reason why I sing my song

It's why I sing my song

I don't know why I say these things
but it's the reason why I sing my song
it's why I sing my song

I don't know why I say these things

but it's the reason why I sing my song[verse 1]Catch me cruisin through Decatur with my streetwalkers
spittin, pimpin at these women, ain't a sweet talker
a young country boy, came up out the creekwater

what a grizzly boy, lookin like a beast on it
now I don't like the law, so fuck the police department
pullin me over, and I don't even be speedin on em
Well I think it's cause they don't like me, well me so sorry
cause I got all the caucasians saying that he's so bossy
well long story short, this is me and I'm bossy
If I wasn't smokin weed, then I'd be drinking coffee

well pour this in my cup, just to show I give a fuck bout what ya'll be thinkin nd what I'm sayin, gone and zip it
upI don't even know why I'm in this goddamn booth[chorus[but it's the reason why I sing my song

it's why i sing my song

I don't know why I say these things
but it's the reason why I sing my song
it's why I sing my song

I don't know why I say these things

but it's the reason why I sing my song[verse 2]

If you ain't noticed I don't really give a damn
this life's too hard to follow rules and be takin exams
so I decided to do music just to make some fans
so while I got the mic I want to say fuck Uncle Sam
I just think of crazy shit and try to make it jam
so when I'm tired of rappin I sing the best I can
simpy cause I ain't got nothin better to do with time
I'd rather producin rhymes than slangin and shootin dimes
I ain't really got nothin else to say but I'll finish it
just to show ya'll how ya'll can benefit if I'm generous
I'll just write a verse, sit back and collect percentages
It's 4 o'clock and I don't even think I'm finished yet[chorus]
but it's the reason why I sing my song

it's why i sing my song
I don't know why I say these things
but it's the reason why I sing my song
it's why I sing my song
I don't know why I say these things
but it's the reason why I sing my songIt's why I sing my song
It's why I sing my song
It's why I sing my song
my song
my song
my song
