Skyscraper

Juliette Commagere

We're in, we're in
We're in, we're in
We're in, we're in
SkyscraperWe're in, we're in
We're in, we're in
We're in, we're in
SkyscraperWe're in, we're in
We're in, we're in
We're in, we're in
Skyscra-I dreamt we walked for miles
Through brush and branches' wild wind
I found a ladder reaching high
I climbed, but you kept on and kissed the tideThe sky kept purring higher
The current pulled you out
And from the top I looked around
From a thousand feet above the groundThey came from somewhere else
These creatures moving in
You couldn't see what I had found
I screamed but I could not produce a soundWe're in, we're in
We're in, we're in
We're in, we're in
SkyscraperWe're in, we're in
We're in, we're in
We're in, we're in
SkyscraperWe're in, we're in
We're in, we're in
We're in, we're in
