Maybe Tomorrow

UB40

I dont know how many stars there are
Up in the heavenly sky
I only know my heaven is here on earth
Each time you look into my eyesYoure all I need to get by
No one else can make me cry
The way you do babyMy beautiful bird
You have flown away
I held you too tight
I can seeYoure all I need to get by
No one else can make me cry
The way you do babyYou are the book
That Im reading babe
You are the song that I sing
You are the four seasons of my lifeBut maybe tomorrow
Youll change your mind, girl
Maybe tomorrow
Youll come back to my arms, girlYoure all I need to get by
No one else can make me cry
The way you do babyYou are the book
That Im reading babe
You are the song that I sing
You are the four seasons of my lifeBut maybe tomorrow
Youll change your mind, girl
Maybe tomorrow
Youll come back to my arms, girlMaybe tomorrow
Youll change your mind, girl
Maybe tomorrow
Youll come back to my arms, girl
