

Should've Said No

Taylor Swift

It's strange to think the songs we used to sing
The smiles, the flowers, everything is gone
Yesterday I found out about you
Even now just looking at you feels wrong
And you say that you'd take it all back, given one chance
It was a moment of weakness and you said yes...

[Chorus]

You should've said no, you should've gone home
You should've thought twice before you let it all go
You should've know that word, bout what you did with her
Would get back to me...
And I should've been there, in the back of your mind
I shouldn't be asking myself why
You shouldn't be begging for forgiveness at my feet...
You should've said no, baby and you might still have me

You can see that I've been crying
baby you know all the right things to say
But do you honestly expect me to believe
We could ever be the same...
You say that the past is the past, give me one chance
It was a moment of weakness and you said yes...

[Repeat Chorus]

I can't resist... before you go, tell me this
Was it worth it...
Was she worth this...

No... no no no...

[Repeat Chorus]
