Lonely Enough

Little Big Town

It's been a long time since I prayed
Let the words fall where they may
Forgive me now for what I'm about say
Tired of being on my knees
Sick of begging You please
Since the day You took him away from me
God, now how much more do I have to hurt?
How far down do You wanna see me go, tell me
God, You don't know the sadness of this place
You've got the angels and the saints
So give me back my love, love
Don't You think I'm lone, lonely enough?
You've got the power in your hands
To change the master plan
Every star and every grain of sand
You can bring him back today
Just roll the stone away
Before there's nothing left of me to save

God, now how much more do I have to hurt?
How far down do You wanna see me go, tell me?
God, You don't know the sadness of this place
You've got the angels and the saints
So give me back my love, love
Don't You think I'm lone, lonely enough?
God, now how much more do I have to hurt?
How far down do You wanna see me go, tell me?
God, You don't know the sadness of this place
Show me amazing grace
And give me back my love, love
Don't You think I'm lone, lonely enough?
Won't You give me back my love, love?
Don't You think I'm lone, lonely enough?
Don't You think I'm lone, lonely enough?
