

Girls (Run DMC Outrageous Mix)

Beastie Boys

Girls, all I really want is girls
And in the morning it's girls
'Cause in the evening it's girls I like the way that they walk
And it's chilly to hear them talk
And I can always make them smile
From White Castle to the Nile Back in the day
There was this girl around the way
She liked by home-piece M.C.A.
He said he would not give her play
I asked him, please?, he said, you may
Her pants were tight and that's O.K.
If she would dance, I would D.J.
We took a walk down to the bay I hope she'll say,
Hey me and you should hit the hay
I asked her out, she said, no way
I should of probably guessed their gay
So I broke north with no delay
I heard she moved real far away
That was two years ago this May
I seen her just the other day
Jockin' Mike D. To my dismay
