

# Trust And Believe

[Keyshia Cole](#)

Hey DJ! When we were together, I held you down  
I gave you all of me, but look at us now  
Thinking of all your excuses, but they don't add up  
Now it's so easy to see you don't deserve my love  
You pushed me far you brought me to this  
You had my heart but then you blew it  
And I'm so over you, go get lost  
Boy who do you think that you are  
Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you, go get lost  
Boy I don't know, who do you think that you are?  
You look so foolish  
With my best friend  
And she ain't no better than you, she's a three,  
I'm a ten  
So why are you calling my phone  
You ain't got nothing I want  
Thought we were really in love  
But that was all up front  
You pushed me far you brought me to it  
You had my heart but then you blew it, oh  
And I'm so over you, go get lost  
Boy who do you think that you are  
Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you, go get lost  
Boy I don't know, who do you think you are?  
How did you try to clean it up  
Boy please just stop it now (Stop it now)  
Don't make a sound 'Cause you pushed me far  
You brought me to this  
You had my heart but then you blew it, ohh  
And I'm so over you, so get lost (Go get lost)  
Boy who do, who do you think you are?  
Believe me, you're gonna need me (You're gonna need me)  
Trust and believe me, (Believe me) She'll never be me  
And I'm so over you (Over you)  
Go get lost (Go get lost)  
Boy I, don't know, who you think you are?  
I'm so over you, go get lost  
Who do you think that you are?
