

# Sole Sucker

## Lords of Acid

Excitation, adoration,  
Your bizarre foot fascination  
The shoes i wear expose my feet  
And giving you the kicks you need  
You want to touch them,  
Smell them, taste the sweat  
Drives you crazy, makes you wet  
You have to gain permission to enjoy my feet  
You're just a worm, a piece of meat  
I'll step on your head and trample you face  
I will crush you like a bug  
You can lick my toes and worship my feet  
So you can get your kinky drug  
Mind seduction, mind destruction,  
Stimulating slave induction  
Desire, pleasure and pain  
The rage of lust, it's so insane  
You wanna lick my soles,  
You wanna cum on my feet  
But no, no, no, not yet,  
I wanna hear you beg,  
Down on your knees  
I'll step on your head and trample you face  
I will crush you like a bug  
You can lick my toes and worship my feet  
So you can get your kinky drug Domination, revelation,  
Sweet submissive humiliation  
I lift my feet to your face  
You lick my dirty soles with grace  
Your long tongue curling, eyes half-closed  
Bathing in lust, you suck my toes  
It gets you hard, your favorite treat  
It makes you come, come on my feet
