Nanny Nanny Boo Boo (Junior Senior Remix)

Junior Senior

Nanny nanny
Nanny nanny boo booIf you ask us how we want it
We'll say man to man
When you go to kiss our cheeks
We're gonna put out our hands becauseAll night
We've been talking to liars
And it's all right
Just in the style of tigersAnd if you ask us what we're doing we'll say
It doesn't matter to you
All you need to know
Is we love to see the crowd moveSo turn it up
It really isn't loud enough
When we say when
We know you'll think it's too muchSo what
Nanny nanny
Nanny nanny, boo booSo what
It's just a joke, man
It's just an interviewSo what
Nanny nanny
Nanny nanny, boo booSo what
You'll never get it
I guess this shit is too new
So whatNow let's sychronize our movements
'Til they're super sick
We got high hats
And loud claps in every mixWe're like boys, just ask her
Dicks done by C.P. Caster
Hey, look out, you're still in slip mode
Thanks, but now I'm in batch captureAnd if you ask us why we're laughing we'll say
It doesn't matter to you
All you need to know
Is we love to see the crowd moveSo turn it up
It really isn't loud enough
When we say when
We know you'll think it's too muchSo what
Nanny nanny
Nanny nanny, boo booSo what
It's just a joke, man
It's just an interviewSo what

Nanny nanny
Nanny nanny, boo booSo what
You'll never get it
I guess this shit is too new
So whatHeadphones and velcro and pictures of Mars
New mics and dirt bikes and candy bars
Bowties and sneakers while making beats
Hard drives and handbooks and hotel sheetsSo what
It doesn't matter to youNanny nanny
Nanny nanny, boo booSo what
I do it every night
She does it in her man suitSo what
Nanny nanny
Nanny nanny, boo booSo what
We never said it
You know we always wanted toSo what
