

# Nanny Nanny Boo Boo (Junior Senior Remix)

## Junior Senior

Nanny nanny  
Nanny nanny boo boo If you ask us how we want it  
We'll say man to man  
When you go to kiss our cheeks  
We're gonna put out our hands because All night  
We've been talking to liars  
And it's all right  
Just in the style of tigers And if you ask us what we're doing we'll say  
It doesn't matter to you  
All you need to know  
Is we love to see the crowd move So turn it up  
It really isn't loud enough  
When we say when  
We know you'll think it's too much So what  
Nanny nanny  
Nanny nanny, boo boo So what  
It's just a joke, man  
It's just an interview So what  
Nanny nanny  
Nanny nanny, boo boo So what  
You'll never get it  
I guess this shit is too new  
So what Now let's synchronize our movements  
'Til they're super sick  
We got high hats  
And loud claps in every mix We're like boys, just ask her  
Dicks done by C.P. Caster  
Hey, look out, you're still in slip mode  
Thanks, but now I'm in batch capture And if you ask us why we're laughing we'll say  
It doesn't matter to you  
All you need to know  
Is we love to see the crowd move So turn it up  
It really isn't loud enough  
When we say when  
We know you'll think it's too much So what  
Nanny nanny  
Nanny nanny, boo boo So what  
It's just a joke, man  
It's just an interview So what

Nanny nanny  
Nanny nanny, boo booSo what  
You'll never get it  
I guess this shit is too new  
So whatHeadphones and velcro and pictures of Mars  
New mics and dirt bikes and candy bars  
Bowties and sneakers while making beats  
Hard drives and handbooks and hotel sheetsSo what  
It doesn't matter to youNanny nanny  
Nanny nanny, boo booSo what  
I do it every night  
She does it in her man suitSo what  
Nanny nanny  
Nanny nanny, boo booSo what  
We never said it  
You know we always wanted toSo what
