

The Hard Way

Bangers

Funny thing about a mind
Lookin' for that brighter side
It's the only way that I can find
 To let my feelings hide
 But every now and then
 I falter back on old memories
 And I'm right back in love again
 And back down on my knees
 And I'm finding out the hard way
There'll never be a time when I don't think about you
 And I'm finding out the hard way
At least here in my mind, I won't go on without you
 All the times I reminisce
 I'm finally realizing this
 Until it's gone it can't be missed
 But I'm finding out the hard way
 Sure I'm gonna make it through
 The sun'll overtake the night again
 Then it's out of my mind with you
 And let another day back in
 And for a while I'll carry on
But what you said is surely comin' true
And although it might not last that long
 The times are not so few
 I'm finding out the hard way
