Singularity

Believer

[K. Bachman / J. Daub / J. Winters / D. Mann]Theoretical physics
Mathematical speculation
Scientifically seduced
By abstract calculationGravitational waves
Energy-extraction
Astrophysical
Sci-fi investigationSingularity
InfinityAll hope abandon
Those who enter here
Region of infinite density
End of time, realistic fearSingularity
InfinityBeware of what you ask for
For you might get it
The Darwinist, the humanist
The hedonist, the legalistSingularity
Infinity
