Narrow Minded Social Club

The Rifles

I've got an ongoing problem in my life,
To tolerate some people about,
No matter how I try playing the nice guy,
There's always someone picking you out.And just the other night,
My friend was walking home,
About his business gentlemanly,
And then a bottle broke and the lights went out and he spent the night in A&E.Where do they run off to when everyday people find it harder to sleep,
And while you pull on through they just hide away from the world cos they're weak.Narrow Minded Social Club,
Narrow Minded Social Club,
Narrow Minded Social Club,
Narrow Minded.... Social Club.How we gonna carry on like this,
Watching your back whenever you leave your house,
Cos one day when I have my kids,
I'd hate to have a fear of letting them out.And just the other night,
On the news at nine,
A young boy made his way home,
He came up from behind and didn't hesitate and now he's front page of The Sun.Where do they run off to when everyday people find it harder to sleep,
And while you pull on through they just hide away from the world cos they're weak.Narrow Minded Social Club,
Narrow Minded Social Club,
Narrow Minded Social Club,
Narrow Minded.... Social Club.I've got an ongoing problem in my life,
I've got an ongoing problem in my life...
